PARLEMENT EUROPÉEN

Mr. Tom Wolf
Governor of the State of Pennsylvania
508 Main Capitol Building
Harrisburg PA 17120
USA

Mr. Governor,

As I informed you, I visited Mr. Mumia Abu-Jamal in his prison of Frackville with the delegation of a French association "the committee Mumia Abu-Jamal".

I came to realize his current health and the imperious need that he receives treatment against hepatitis C.

You have already been asked about this subject.

On the occasion of this visit in the United States and in your state, I learned that the New York State had created the conditions for all prisoners to benefit from such treatment.

Since my return from the United States, I have widely informed the public about the situation of Mr Mumia Abu Jamal as well as my fellow MEPs and those of national parliaments.

Also, allow me to send you a short text, signed by 108 of them, asking you to create for Mr. Mumia Abu-Jamal the conditions to receive the treatment he needs.

Remaining at your disposal,

Certain that this call from parliamentarians of several European countries will hold your attention,

Please receive, Mr. Governor, the assurances of my best consideration.

Patrick Le Hyaric
Member of the European Parliament,
Vice-Chair of the Confederal Group of the European United Left - Nordic Green Left

PARLEMENT EUROPÉEN

Brussels, 15th December 2015,

To Mr. Tom Wolf,
Governor
508 Main Capitol Building
Harrisburg PA 17120

Mr. Governor,

As European parliamentarians, Members of French Parliament and French Senators we would like to share our concerns about the very poor health of Mr. Mumia Abu Jamal, suffering from hepatitis C, which can be fatal if not treated quickly with the appropriate care.

As you know, international law provides that every human being, even a prisoner, is entitled to health care.

We would be grateful for your quick intervention in order to provide to Mr. Mumia Abu-Jamal with the appropriate care, in a hospital with doctors of his choice.

Certain that our request will retain your attention,

Please receive, Mr. Governor, the assurances of our highest consideration.
